Register for UCLA UniCamp's After-School Program

With school districts continuing virtual learning in the fall, UCLA UniCamp is introducing After-School Program as part of our commitment to serving greater LA county youth. The After-School Program (ASP) is a four-week program which will provide campers ages 8-13 with a space to engage in exciting extracurricular activities virtually and form genuine connections with both kids their own age and UCLA student volunteer counselors.

Every week, campers and counselors will get the opportunity to interact via Zoom and participate in engaging cabin chat discussions, fun activities ranging from yoga to arts & crafts to digital escape rooms, and interactive all-camp activities outside of their virtual classrooms.

There are three sessions, each four weeks in length:

- **Session 1:** August 31st - September 25th
- **Session 2:** October 5th - October 30th
- **Session 3:** November 9th - December 4th

Activities will run Tuesday and Thursday afternoons from 4:00 to 5:30 pm and Saturday afternoons from noon to 2 pm. Activities will change each week and participants can choose to attend as much or as little as they wish.

Now more than ever, kids are in need of an inclusive environment to build relationships, explore their passions, and have fun. UCLA UniCamp was able to successfully provide that space during the summer through our first ever Virtual Camp program. With After-School Program, we hope to continue to create positive and impactful experiences for our "campers."

About the After-School Program

Since Virtual Camp was so successful, we are starting our first ever After School Program! Many school districts are starting virtual in the fall and the After School Program will give campers a chance to still engage in extracurricular activities.

The first session of the After School Program will be from August 31st - September 25th. Like a condensed version of virtual camp, campers will get to participate in cabin chats, rotations and all camp activities. This will be a great opportunity for campers to connect with both kids their own age and UCLA student volunteers. Activities will run Tuesday, Thursday and Saturday afternoons and you can attend as little or as many activities as you like!

UCLA UniCamp's Programa Extracurricular Despues de Clases

Acerca del programa extracurricular

Dado que el Campamento Virtual tuvo tanto éxito, ¡estamos comenzando nuestro primer Programa Después de la Escuela! Muchos distritos escolares están comenzando de manera virtual en el otoño y el Programa Después de la Escuela les dará a los campistas la oportunidad de participar en actividades extracurriculares. La primera sesión del programa extracurricular será del 31 de agosto al 25 de septiembre. Como una versión condensada del campamento virtual, los campistas podrán participar en los chats de cabina, las rotaciones y todas las actividades del campamento. Esta será una gran oportunidad para que los campistas se conecten tanto con niños de su edad como con estudiantes voluntarios de UCLA. Las actividades se llevarán a cabo los martes, jueves y sábados por la tarde y el estudiante podrá asistir a cuantas actividades como desee.
